Mr. Kumar then invited **Mr. David Birwadkar**, Advisor/Head, GEIMS to explain the rules and regulations of the event. Mr. Birwadkar expressed his gratitude towards all the dignitaries for marking their presence in the event. He also mentioned the Theme & Sub Themes of the event to the audience.

Mr. Kumar invited 1st presenter Aniket Tagad, Shardul Bendre & Kapil Parab from Tolani Maritime Institute, Pune who presented a paper on the topic of Cyber-Security-Regulatory Aspects and Data Theft in Maritime Industry. Mr. Kumar then introduced 2nd presenter Kamal Chauhan and Hrithik Kumar from the Tolani Maritime Institute, Pune

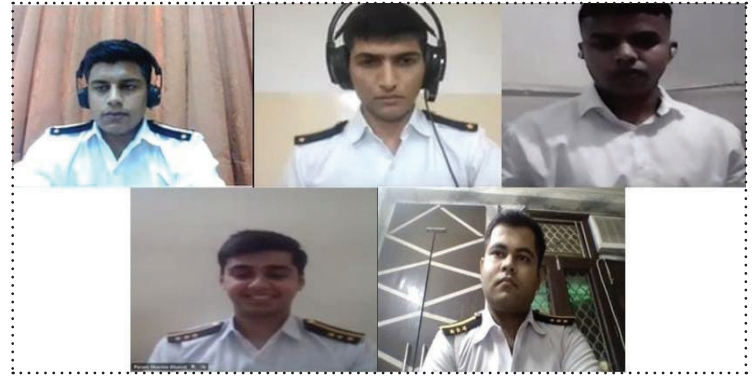

who also presented the paper on the topic of Cyber-Security-Regulatory Aspects and Data Theft in Maritime Industry. 3rd team Krishna Prabu and Barnali Maji from the Indian Maritime University, Chennai Campus presented their paper on the topic of EEXI - Energy Efficient options for ships in line with IMO Requirement and Intelligent Engines - Decarbonization of shipping. The 4th presentation was delivered by Menon Pramod and Mithun Moudgal from the Tolani Maritime Institute, Pune who presented paper on the topic of Digital Twin: A Deep Dive into Artificial Intelligence and Big Data Technologies.

During the break, video on Navik Jeevan was played for the audience. 5th presentation

was given by Mr. Shubham from B P Marine Academy, Raigad who presented paper on the topic EEXI - Energy Efficient options for ships in line with IMO Requirements. The 6th presentation was by Shubham Thakur and Param Sharma from the Indian Maritime University, Mumbai Port campus on the topic CO2 Capture and Storage Using Nano Silicates. The 7th and the final presentation was by Shashank Shekhar and Sonu Rajpurohit from The Great Eastern Institute of Maritime Studies, Lonavala on the topic of Intelligent Engine Decarbonization of Shipping Industry

At the end of each presentation, Question and Answer session was moderated by Mr. Kumar. Questions from the audience based on the presentations were well responded by the participants. It was heartening to see many thought-provoking questions and the interest, the study generated among the audience.

Dr. Sujata Naik, Chairperson, Tolani Shipping, and President, INSA gave concluding remarks. She expressed her immense happiness towards the successful completion of the event hosted by INSA and congratulated

the entire team. She further congratulated all 79 teams who submitted their papers in the competition. She appreciated the depth of the work that has been put by all the participants. She also appreciated the confidence of the participants while answering the Q&A session. She expressed sincere gratitude and appreciated the initiatives undertaken by Research and Training Committee, INSA and is looking forward to many such projects to be undertaken in future.

The Judges of the event **Mr. Chitta Dash, Mr. Dilip Mehrotra and Mr. I.N. Bose** appreciated the efforts put in by the participants and their confidence while presenting. They mentioned that the quality of the papers presented were of immensely high standards and it was very difficult task for them to shortlist the best among all the submitted papers. They also

congratulated all the participants even if they could not make it to final round and expressed their best wishes for a successful career ahead.

Mr. Kumar invited Mr. Birwadkar to announce results of the competition. The second runner up was Mr. Shubham from B. P. Marine Academy. Mr. Shubham Thakur and Mr. Param Sharma from the Indian Maritime University, Mumbai Port secured the first runners up position in the competition. Menon Pramod and Mithun Moudgal from the Tolani Maritime Institute, Pune secured the first position in the competition. Mr. Birwadkar congratulated all the participants for their hard work and dedication.

Lastly, **Mr. Lokanath Tripathy, Head- QST, Greatship India Ltd.** proposed the Vote of Thanks.

Why Choose ATPI for Marine Travel Services ?

- Delivering what really matters:
- Efficient crew management tools
- Reduced travel costs
- Safe travellers
- Specialist services
- 24/7 support
- Experience & expertise
- Travel solutions for cruise operators

ATPI Marine & Energy is an international leader in providing travel to the energy and shipping sectors. Offering solutions tailored to offshore organisations, alongside 24/7 expertise and innovative technology, ATPI Marine & Energy operates with cost, efficiency and safety at the forefront of every travel strategy.
