growth by IRS and over the years the classification society has strengthened its presence in South-East Asia. It has earlier received authorization as a Recognised Organisation from several maritime flag administrations in the SE Asia region including Malaysia, Thailand, Vietnam, and Myanmar.

Mr. Vijay Arora, Managing Director at IRS, said “We thank the Philippines maritime flag administration and acknowledge that this authorisation comes with the responsibility to uphold the industry-leading standards of safety and compliance, which has become synonymous with IRS around the globe.”

“This recognition from the Philippines maritime flag administration reaffirms our technical expertise and capabilities as a major classification society. Additionally, we are happy to

assist the flag administration with technical guidance and training as and when required.”

About Indian Register of Shipping

Indian Register of Shipping (IRS) is an international

ship classification society providing ship classification and certification as well as technical inspection services. IRS is a Member of the International Association of Classification Societies (IACS).

Covering a wide range of shipping, offshore and industrial projects, their team of dedicated professionals brings international standardisation and assurance to your doorstep. For more information on IRS, please visit: <http://www.irclass.org>

Leading classification society, the **Indian Register of Shipping (IRS)**, has signed a **Recognised Organisation (RO)** agreement with the **Philippines maritime flag administration**. Seeking RO status from key maritime flags is part of the IRS' strategy to expand its presence around the world. An office has been established in Manila which will be followed by the deployment of a surveyor at a later stage.
