## IRS to provide Quality Assurance services for refit of Indian Navy's submarine

of the submarine at HSL would develop additional capabilities for the refit and repair of submarines in India, thereby enhancing the indigenous support for maintaining the IN's operational readiness. This project would also pave the way for the undertaking of the 'Medium Refit with Life Certification' of submarines at HSL.

Mr. Arun Sharma

Mr Arun Sharma, Executive Chairman of IRS, said 'With the provision of QA services for the submarine, IRS has added a new dimension to its role in support of the Indian Navy, in consonance with the spirit of 'Atmanirbhar Bharat'. IRS will endeavour to add value to the quality of refit of the naval asset, thereby contributing to the enhancement of the capabilities of the shipyard.'

**Indian Register of Shipping (IRS)** has secured an order for providing Quality Assurance (QA) services for an Indian Navy submarine during the refit. The order is a major win for the classification society and paves the way for a new vertical within its Defence sector business.

The Indian Ministry of Defence, (MoD) signed a contract with Hindustan Shipyard Ltd., Visakhapatnam, (HSL) on 13th March 2023, for undertaking the 'Normal Refit' of INSSindhukirti, the third "Kilo" class submarine of the Indian Navy (IN). The shipyard has selected the Indian Register of Shipping (IRS) for the provision of QA services, as the inspection agency for this refit. This marks the first occasion when a classification society has been entrusted with providing such services for the refit of a submarine in India. IRS shall undertake quality inspections of the Hull, Machinery and Electrical systems on board the submarine in accordance with the approved QA plan.

According to the MoD, the refit

as well as technical inspection services. IRS is a Member of the International Association of Classification Societies (IACS).

Covering a wide range of shipping, offshore and industrial projects, their team of dedicated professionals brings international standardisation and assurance to your doorstep. Please visit: <http://www.irclass.org>.
