EVs Play Vital Role in Reducing Logistics Costs

Capt (Dr) Shashank Jahagirdar & Capt Sankalp Shukla elected for IMEC Recruitment & Training Committee

Capt (Dr) Shashank Jahagirdar Capt Sankalp Shukla

Capt.(Dr.) Shashank Jahagirdar and Capt. Sankalp Shukla have been elected for IMEC Recruitment & Training Committee at Southampton/UK during The International Maritime Employers' Council (IMEC) AGM last week.

Capt.(Dr.) Shashank Jahagirdar is with Synergy Nordic as Managing Director and Head of Crewing & Marine HR, Synergy Denmark A/S. **Capt. Shashank** has recently completed Ph.D. and is awarded a 'Doctorate in Philosophy' for his research work in 'Fuel Optimisation and Vessel Efficiency'. Shashank has been holding the position of Chairman of the Maritime Training & Research Foundation (MTRF), a Trust set up by the Maritime Association Shipowners Shipmanagers & Agents (MASSA) in India.

Capt. Sankalp Shukla is Managing Director with Bernhard Schulte Shipmanagement (BSM) India and the Chairman of the Foreign Ship-Owners Representatives & Ship Managers Association

(FOSMA), a leading maritime association.

With the presence of India in the Recruitment & Training Committee of IMEC and India's significant role in supplying manpower to merchant vessels globally, through IMEC various training initiatives, India will increase competent manpower and reduce the shortage gap to ensure merchant vessels continue manned by competent and skilled seafarers, **Capt. (Dr.) Shashank Jahagirdar** says.

The first committee meeting shall be held soon involving newly elected members of the Recruitment & Training Committee to take forward while ensuring all the existing projects are executed in a timely manner, various new initiatives and projects will be undertaken to benefit the seafarers and industry as a whole.

About IMEC Maritime Training:

As the shipping industry continues to evolve, so must the seafaring profession. At IMEC we endeavour to provide sustainable crewing solutions for our Members, as well as facilitate opportunities for continual professional development across all roles and responsibilities, whether that be inspiring the next generation of seafarers, or enhancing the skills of maritime instructors.

The IMEC Recruitment and Training Committee was established in 2006 and is responsible for overseeing the various IMEC training initiatives. The committee is made up of a team of elected IMEC Member

representatives, who collectively contribute their extensive wealth of experience and knowledge to guide and support the direction of future training projects.

IMEC Training initiatives include the following Training Programmes:

Cadet Training, Ships Rating Programme, Engineering

Bridging Competency Management Programme, System for Ratings and Train the Trainer (Improving the Standards of Training). Apart from IMEC Cadet Training, each course is entirely funded by the International Maritime Training Fund (IMTF) and is available for Members to utilize as a source of future talent onboard their vessels. Courses run throughout the year and we encourage Member participation to help develop the future leaders of the industry.
