## CMMI conducts webinar on - Entrepreneurship by Mariners for advocating Technology towards Market

**Capt. Pankaj Sarin, Chairman Delhi Chapter** moderator of the webinar introduced the topic. He called the webinar a unique because first time two entrepreneurs as Master Mariners were invited who have been doing things differently. With warm welcome greetings to both speaker panelists and the participants, he introduced both the panelists.

**Capt. D. C. Sekhar, Fellow of CMMI**, has sailed on Tankers and came ashore as Superintendent in 2004. He then completed Finance Management in

his investment in R&D year after year, he developed indigenous technologies and today Alpha MERS has developed solutions for river clean up using floating trash barriers to arrest solid waste

in rivers and lakes. This is deployed in eight cities and has stopped 2200 tons of plastics from reaching the sea in one river in 2018 alone.

## CMMI conducts webinar on - Entrepreneurship.....From Page : 1

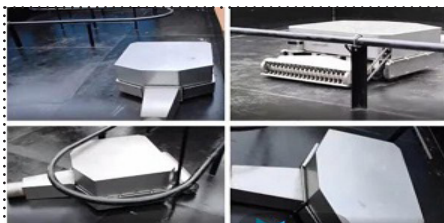

He has harnessed Ocean wave and Energy, Maritime Perimeter security systems and many other technologies. Alpha MERS had received ASSOCHAM MSME innovation excellence award from 2015 to 2018 - Winner, twice runners-up & top 50 MSME of India. He also headthe company Beta Tank Robotics that has designed prototyped hydraulic Robots to clean crude oil tanks, bottom sludge in oil tanks and has provided oil spill response services withequipment and trained manpower.He has designed specialized boom for use in high current waters. He has carried out marine EIA of a coastal Nuclear Power Plant. Here are few glimpses of the activities carried out by Alpha MERS presented and briefly described by Capt. Sekhar.

### Wave Energy Converter (WEC)

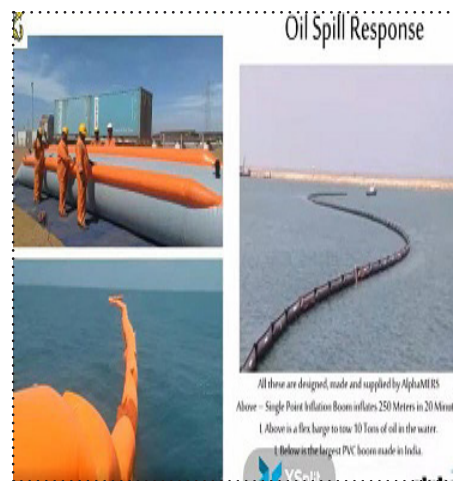

Wave Energy Converter (WEC)- Ocean wave contains lot of energy. The WEC has a seabed unit and a surface unit of floats. The float moves as per the waves and transmit the power to the seabed unit that converts it into usable form of energy.

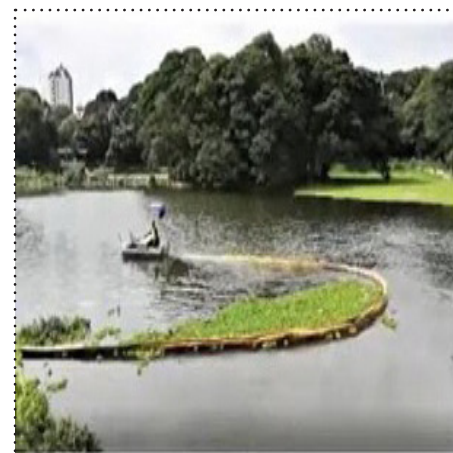

### Crude Oil Tank Cleaning Robots

### Oil Spill Response

### Tandem Sweeping

### Maritime Perimeter Security

Unmanned tethered craft for use in water areas where high current.

Continued in next issue Monday 21st March.

SHIPMANAGEMENT

Work with an **Ownership Company**

MSC offers the best terms & conditions, internet on board, Indian food, one of the best round the year medical insurance scheme in the industry and a safe environment to work.

Make a change for the Better!!
