CHANGE HAS BEGUN IN GOA > Capt. Venzy Viegas, Merchant Navy Master emerged as MLA of Goa Vidhansabha.

Venzy Viegas, Master Mariner

Captain Venzy Viegas, Master Mariner defeated TMC candidate, a four-time MLA, Alemao Churchill by a margin of about 1,200 votes. Venzy Viegas, a motor mechanic's son, left everyone stunning by registering a win against former Chief Minister. While Viegas was dismissed as a weak candidate by the opposition, and Alemao was expected to emerge victorious (once again), the former's win left everyone shocked.

Emerging as a giant killer in Goa after defeating former Chief Minister and Trinamool Congress candidate Churchill Alemao, Aam Aadmi Party (AAP) leader **Venzy Viegas** said that the politics of change has begun in the coastal state and highlighted his priorities.

The Master Mariner with 17 years of sailing experience on Tankers owns a marine consultancy and also pursuing

maritime law from London Metropolitan University.

"We will work hard for the people of Goa," he said.

Speaking on elimination of corruption, he said "we are not looking at low level corruption of a rider without a helmet paying small amount to avoid fine ...we are concerned about the huge revenue the officials are stealing from the people's treasury".

Emphasizing on the governance, he said "I want everyone's file in connection with their submission on projects etc. to be cleared. There must not be pending files beyond the prescribed time limits".

"We have been working in Benaullim and are ready to be there for people. They have shown elections can be fought without money and muscle power", he said.

Listing out his priorities for the Benaullim Assembly constituency, the he said that **he will ensure that all houses in the region get tap water.** "For this, I have started talking to all the sarpanches of my panchayats in my constituency." **He also said that he will become the voice of Goa in the Assembly.**

Talking about his unexpected win on in the assembly elections, Viegas, a Merchant Navy Captain said, "I don't have a political background. I come from a simple family and a God-fearing." Furthermore, he even revealed how he intends to make 'ambulance access mandatory' for all the residents of Goa.

He was inspired by "INDIA

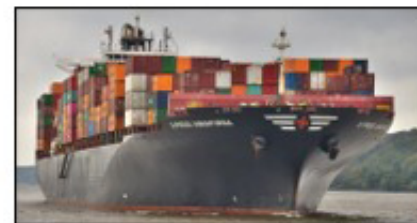

AGAINST CORRUPTION" MOVEMENTS which brought him to politics. In Curchorem, he built the entire unit for the party from the grass root levels. In Quepem he reactivated the unit in 2016 and also played a key role in last assembly election in 2017.

During the Covid pandemic, Capt Viegas assisted the party in all medical support areas includes supply of medical equipment facilitating units for Benaullim, arranging hospital beds, oxygen cylinders...

It's a proud moment for Maritime Fraternity that Master Mariner has joined hands in fighting against corruption and to bring advancement on the governance.
