World Shipping Council Welcomes Pacific International Lines as new member

The World Shipping Council (WSC) is excited to welcome Pacific International Lines (PIL) as a new member, to join in its work for a safe, secure and sustainable industry.

strong presence in these countries. Other brands in the PIL group includes Mariana Express Lines, Malaysia Shipping Corporation, PIL Logistics and Hong Kong listed Singamas Container Holdings.

A veteran in the global shipping industry, Mr Kastrup has over 30 years of experience in leadership positions in global maritime companies including NOL/APL; CMA CGM Group and AP Moller-Maersk.

“PIL is pleased to become a

member of the World Shipping Council and join other like-minded maritime companies to strengthen industry collaborations and advance key global topics on sustainability. The long running pandemic, while disruptive, has highlighted the urgency for us to seek viable solutions to combat climate change, and PIL stands ready to step up its support to progress the decarbonisation and other sustainability agendas among our peers,” said Mr Kastrup.

PIL joins World Shipping Council

A Singapore home-grown container shipping line incorporated in 1967, PIL is currently ranked 12th in the world with a fleet of around 100 container vessels. Its global trade network spans Asia, Africa, Latin America, Middle East and Oceania, supported by offices and agencies in over 500 locations in around 90 countries worldwide. Due to its early forays into China and Africa, PIL has established a unique and

“We are very pleased to welcome PIL to WSC, and we look forward to their contribution in our Councils and Working groups. As a vessel owner and direct employer of over 2,000 seafarers, PIL will bring important perspectives and insights to our work,” says **John Butler, President & CEO of the WSC.**

Representing PIL on the WSC Board is **Mr Lars Kastrup, Chief Executive Officer of PIL.**

DUTY OF CARE

SEAFARING IS A WAY OF LIFE

Seafarers' work environment, work routine, physical and mental fitness requirements, and the contrasting difference between lifestyles onboard and onshore make them a unique population. The effort to keep a healthy fleet requires a multiple-pronged approach that encourages the seafarer to take charge of his/her health.

Ensuring immediate and timely access to quality medical assistance delivered by a trained, qualified and a multilingual (English, Russian, Mandarin, Tagalog and Various Indian Languages) medical team. Achieving a Healthy Ship model through continued awareness, proactive health checks and innovative solutions to address Mind & Body Wellness onboard.

Core to these efforts is our proprietary healthcare platform which consolidates, analyses, organises and presents health information to facilitate enhanced care.
