Naavik Manthan 2022 JSW & Nautilus Shipping Crew Convention

JSW Shipping & Logistics and Nautilus Shipping organized 'Naavik Manthan 2022' on 15 July 2022. The Crew Convention, at Mumbai's 'Courtyard by Marriott' hotel, comprised a mix of seafarers representing JSW's coastal shipping arm, officials from JSW Steel Limited, and team members of Nautilus Shipping offices. **Learn, Share, Grow**, was the theme of this coastal shipping-centric event.

Several distinguished speakers and presenters participated in the knowledge-sharing

Santosh Ojha, Principal Surveyor, Indian Register of Shipping, and T.K. Krishnakumar, Director, Seamen's Employment Office (Mumbai and Kolkata), were the external speakers.

The awards ceremony was the highlight of the event — the best performers were felicitated. The seafarers were rewarded for their dedicated service, commitment, continuous contribution to the success of JSW and Nautilus Shipping, and safe and reliable operations onboard.

platform. Significance of timely communication and reporting, Safe behavior and onboard safety culture, Safe navigation and risk mitigation, Significance of training, Operations' objectives, Best practices in machinery spaces, Estimation of risk and chronic unease, Equipment failure, and preventive measures, Developments on the coast and the way forward, and New regulations and compliance measures, were the topics discussed and deliberated.

The eventful seminar came to an end with closing notes from Capt Pranab Jha, Executive Vice President (Shipping), JSW Steel, and Manikandan Muthusamy, CEO, Nautilus Shipping.

The participants were later treated to another round of hospitality, this time in an informal setup over cocktails and dinner at the same hotel's upscale fine dining restaurant, Ummrao. TradeMaker magazine was the media partner of the event.

IMEI with AEMTC arranges the next Instrumentation & Automation Course for Marine Engineers & ETO's

The **Mumbai Branch of The Institute of Marine Engineers (India)** in collaboration with **Anglo Eastern Maritime Training Centre** has scheduled the next course of the proposed series of value-added courses from **16th to 20th August 2022** through on-line platform Zoom on the topic **"Instrumentation & Automation Course for Marine Engineers and ETO's"**.

IMEI had scheduled this course after the tremendous success and overwhelming responses from all the previous **six** courses held from late 2021 till date.

The purpose of conducting such courses is to serve as a continuing Education and Training program for seafarers, superintendents, surveyors, technical assistants, and other members of the marine fraternity to enable them to keep abreast of the latest developments

in this topic. The course has been designed by the best in the industry and will be accompanied by the 'Quality' stamp associated with the **IME(I) & AEMTC**.

Any prospective candidate who is interested may contact: Ms. Nimisha Nayan - 9373394137/ Ms. Neetha Nair - 9930977647; The Institute of Marine Engineers (India) - Mumbai Branch, 1012 Maker Chamber V, Nariman Point, Mumbai -400021. Tel: (022) 22851195 or drop an email to: mumbai@imare.in for further details.

Interested candidates can also register using this Link <https://linktr.ee/imei.m> and provide us the details, including the correct name as required on the Certificate. After completing the registration formalities and receipt of the payment, you will receive a confirmation from IME(I).
