Technology in Maritime (TIM) 2022 Global Conference Organised by The Naval Connection (TNC)

Technology in Maritime' (TIM) 2022 is the maritime industry's largest conference on maritime technology and an annual event in the TNC calendar.

TIM 2022 was held at a plush Mumbai hotel on 29th July 2022. The inaugural session started with the opening address of **Capt. Shoukat Mukherjee, Founder & CEO of The Naval Connection** where he welcomed all the speakers and guests. Over 100 professionals and students attended the session. The event was inaugurated by **Mr. Deepak Shetty, Capt. Mahendra Bhasin & Capt. Sankalp Shukla** amidst loud cheer and applause from the audience both in person and on virtual streaming.

The first session was on "Emerging technologies in Maritime Training" and the speaker was **Capt. Pradeep Chawla**, who attended the session online. The session was moderated by **Capt. Mahesh Yadav**.

The next session was on Stormgeo's "Digital solutions for complying with CII" and the speaker was **Mr. Kaushik Seal** and moderator was **Capt. Shoukat Mukherjee** himself. This was a very interactive session with students asking questions about Carbon Intensity Index.

The next session was a power packed virtual talk by **Capt. D.C. Shekhar**, a multiple

award winning innovator. He spoke on "Mind to Market" and the session was moderated expertly by **Capt. Yashoverman Sharma**.

The next session speaker was one of the youngest entrepreneurs

of the maritime industry
Capt. Dhruv Sawhney.

Technology in Maritime.. From Page -1

Moderated by **Mr. David Birwadkar**, this was a session where Dhruv took the audience into his journey or how ShipsKart was founded and all its present services relating to online marketplace in shipping. He spoke on **“Technology in Maritime Procurement”**. The audience was thrilled and kept in awe at the uniqueness of the advanced e-commerce platform of ShipsKart

The next session was on **“New Age Mobility”** and the speaker was **Capt. Nikunj Parashar**, another trailblazer of the maritime industry. He kept the audience stupefied with this journey on how he has taken the drone technology to the highest level gaining an audience from our Prime Minister Shri Narendra Modi himself. Working closely with the defence units of the country, Nikunj is a great inspiration to all for bringing in a better future for mobility. The session was moderated by **Ms Ishita Chattopadhyay**.

The next session speaker was **Mr. Avinash S. Vaze** from IRS who threw light on **“Ship**

Shore Data Communication in Futuristic Ships” and the session was moderated by the **President of IME(I) Mr. V.K. Jain**

In the happy hour which followed, **Capt. Shoukat Mukherjee** launched **The Naval Connection’s Learning Management System (LM) with the most effective course on “Collision Avoidance Regulations”**. This online course is one of a kind in the industry and contains detailed explanation of all the collision avoidance rules. The course has been recorded over months of hard work by **Shoukat and Capt. Yashwant Chhabra**, author of **“Watchkeeping at Sea”**

and will prove to be a valuable course for all navigators and trainers.

The **SIRE 2.0 workshop brochure** was also released at this session and **Capt. Gyanendra Singh the trainer**, explained to the audience why this workshop was so important for all seafarers and shore based personnel as the implementation on SIRE 2.0 was round the corner.

The last session of the day was by **Mr Arun Janardhanan from MariApps solutions**. He addressed the audience online on **“Addressing Crew Management Challenges through MariApps**. The session moderator was **Capt, Shiv Halbe**

TIM 2022 has proved again that emerging technologies will rule our way of for a better

future. The global feel of TIM was apparent as thousands of people watched the event live streamed online on the TNC YouTube handle. Capt Shoukat later thanked the audience and his full team for making TIM a grand success. People networked freely and it was a great day of learning, sharing and building contacts.

TNC wishes to thank all its sponsors and partners for supporting TIM and making it a global brand

Says Shoukat, **“Our two big brands namely ‘Future Skills Maritime’ (FSM) and ‘Technology in Maritime’ (TIM) have completed 2 successful years and is now synonymous with great learning among all strata of the maritime verticals. We are glad to announce our next FSM at a destination venue in India in the month of Feb 2023. This shall be one of the most exciting events in our industry”**. The Conference was organized in association with: **Shipskart, Stormgeo, MariApps, supported by: IMI, ACE Insurance, ATPI, Elegant Management, MUI and Industry Partners were Indian Chamber of International Business (ICIB).**
