ISHQ 104.8 FM

our Seafarers, our work force both at sea and ashore. We have to make our work force more competitive & more skilful. We have learnt how easily life can be lost without even a bloodshed. While each country has

spent billions of dollars in developing military arsenals, we now have to look to shield ourselves from the threat of new diseases and spend more on sustaining humanity & sustaining a healthy environment."

The human touch

Keeping it real

Our operational expertise is gained from over 35 years of answering the call for quality shipping and logistics services globally. We see every client as an individual and every job as unique - and we respond with quality, expertise, compliance as well as respect for you and the environment.

Sagar Sandesh News Service

Elegant Marine Services Pvt. Ltd, represents one of the largest Ship Managers Fleet Management Ltd operating 500++ ships.

New Tomorrow (104.8) ISHQ FM Channel gives much needed hope to all the citizens globally who are in grip of COVID-19. Talking about change, I see ideological shift in people,

as consumers around the world have woken up to the fact that we have been reaping more than what we sow.

Safety of life has taken new meaning now, be a physical safety, mental safety or safety from illness and diseases. This also means that we have to plan for sustainable development model for our business. The biggest assets we possess are

GAC Shipping (India) Pvt. Ltd.
