ISF Group since its inception in the year 2000, has expanded its philanthropic activities addressing human concerns and evolved to becoming a comprehensive knowledge-based group comprising several professionally managed entities.

These entities include:

- **ISF Maritime Services Pvt. Ltd.** Established in 2004 and based in Mumbai,
- **ISF Group International Pte. Ltd.**, based in Singapore a 100% owned subsidiary of the Mumbai company.
- **Inner Search Foundation, a charitable trust** established in the year 2000 and based in Mumbai.

With the Group on the threshold of entering the third decade, the Trustees and Directors have resolved to dedicate the next decade (2020-2030) in pursuit of supporting the Sustainable Development Goals set by the United Nations in 2015. As a result, the group now has enhanced focused in ensuring that the services of the Group achieve enhanced effectiveness and remain aligned in that direction. Some of the key activities include:

Academic Partnerships: ISF group has comprehensive experience and knowhow of development and operations of training and educational establishments,

and has used it effectively to design framework, systems and execution and management methodologies for third party education and training management. Current engagements include:

- Academic Partners with NUSI Offshore Training Institute- NOTI, Panvel
- Academic Partners with Mohamed Ebrahim Serang Centre-MESC, Valsad
- Scorpio Marine Management – Academic Partners for Engineering Training Unit

Revolutionary Online Portals and E-Systems: Since 2009, ISF has developed innovative online web-based systems for major shipping companies which are tailor made and autonomous: pre-joining briefing, competency management, assessment management, learning management, etc.

- Learning Management System
- Tablet-based Distance learning platforms
- Customized e-learning platforms
- Pre-joining briefing platform
- Apps for ship audits and IHM surveys

IIRE, The Research Division: In 2013, ISF Group established a research institute: ISF Institute of Research and Education (IIRE). IIRE is a non-profit unit of the ISF Group dedicated to developing and delivering integrated educational and research programs. **IIRE is actively involved in research programs and benchmarking surveys for the Maritime Industry. IIRE has also published peer reviewed journals, working paper series, white papers, training materials, and application notes.**

ISF Group believes in creating value for its customers and stakeholders by providing innovative services and

solutions that are based on cutting edge research. The R&D activities of the Group are channelized with exclusive focus on leveraging innovation and creativity of the scientific, technical and management resources across the globe. The group facilitates converting the generated body of knowledge into practical use through development of innovative products, services and solutions.

Association with RL Institute as an independent assessor: Very recently the ISF Group has supported the **RL institute** by way of carrying out independent evaluation of the students completing their pre sea training to provide meaningful feedback to the faculty for improvements in the training processes, and to prepare the student better for meeting the industry expectations.
