Capt. Binesh Kumar Tyagi

**B**inesh Kumar Tyagi has been selected as **Chairman & Managing Director (CMD), Shipping Corporation of India (SCI)** at a Public Enterprises Selection Board (PESB) meeting held on Friday February 04, 2022.

The following 03 applicants were interviewed in the selection meeting :

1. Atul Ubale, Director (Bulk Carriers and Tankers), Shipping Corporation of India
2. Binesh Kumar Tyagi, Functional Director, Shipping Corporation of India
3. Anirudh Prasad Singh, General Manager, Mahanagar Telephone Nigam Limited (MTNL)

Binesh Kumar Tyagi is

## Binesh Kumar Tyagi selected as CMD, Shipping Corporation of India

set to be the next Chairman & Managing Director (CMD) of Shipping Corporation of India (SCI), a PSU under the Ministry of Ports, Shipping and Waterways. He is currently serving as Director (Liner & Passenger Services) in the same organisation. He is also holding additional charge as Director (Technical & Offshore Services) of SCI.

Tyagi has taken over as Director (Liner and Passenger Services) of SCI with effect August 1, 2021. He is graduated from Meerut University and joined SCI in 1990 as a trainee nautical officer. He served on-board various ships in different ranks including master of the ships. In 2004, he was absorbed shore office and served Technical, Vetting, Chartering, Fleet Personnel Departments in various ranks. Overall 30 years rich experience in various aspects of shipping. He has all-round professional

qualifications covering areas like Ship operations, Navigation, General Management, Shipping management and legal aspects.

The Shipping Corporation of India was established on October 2nd, 1961, by the amalgamation of Eastern Shipping Corporation and Western Shipping Corporation.

Starting out as a marginal Liner shipping Company with just 19 vessels, the SCI has today evolved into the largest Indian shipping Company. The SCI also has substantial interests in various segments of the shipping trade. SCI's owned fleet includes Bulk carriers, Crude oil tankers, Product tankers, Container vessels, Passenger-cum-Cargo vessels, LPG and Offshore Supply Vessels. Sailing through for six decades, SCI today has a significant presence on the global maritime map.

As the country's premier shipping line, the SCI owns

and operates around one-third of the Indian tonnage, and has operating interests in practically all areas of the shipping business; servicing both national and international trades.

The SCI has immensely contributed to the growth of India's EXIM trade and the national exchequer, by being a net earner/saver of valuable foreign exchange.

As a profitable commercial venture of the Government of India, the SCI has an excellent track record of profitability since its inception. The SCI's annual performance has consecutively been rated excellent for a record 18 times, under the Memorandum of Understanding (MoU) signed with the Government of India.

The SCI takes pride in being a responsible and socially committed owner, placing greater emphasis on the safety of life, vessels, cargo and the environment it operates in.

Today, the SCI has evolved into a highly quality and safety conscious organization.

Not surprisingly, the SCI has received numerous awards and accolades from various national and international organizations for excellence in customer satisfaction, operational efficiencies, human resource training and emergency preparedness.

The SCI possesses all the ingredients essential for emerging as a truly world class international shipping Company. The endeavour of the management is to facilitate the release of boundless energy and initiative streams, which will be channelled for the growth and prosperity of the Company and the nation.

## IME(I)-Online Skill Upgradation Certification Course in Hydraulics- 24th to 26th February 2022

**B**ased on the encouraging response from the Inaugural Courses on Hydraulics held in July 2020 followed by 2nd course in December 2020, we came up with the third course which happened recently with an overwhelming response & good number of participants in January 2022. The Mumbai Branch of IME(I) is conducting

the 4th Course again from **24th to 26th February 2022** of this specifically designed **Course in Hydraulics**

The purpose of conducting such courses is to serve as a continuing Education and Training program for seafarers, superintendents, surveyors, technical assistants, and other members of the marine fraternity

to enable them to keep abreast of the latest developments in this topic. The course has been designed by the best in the industry

It would be a pleasure to find Candidates from your reputed Organisation undertaking this Course as part of CPD. You will receive a confirmation from IME(I) after Registration and receipt of the payment.

Any prospective candidate who is interested may contact: Ms. Nimisha Nayan - 9373394137/ Ms. Neetha Nair - 9930977647; The Institute

of Marine Engineers (India) - Mumbai Branch, 1012 Maker Chamber V, Nariman Point, Mumbai -400021. Tel: (022) 22851195 or drop an email to: 'training\_mumbai@imare.in' for further details.
